Subject: 2025 CMC Amendments - Table 4A for Clinics
Date: Thursday, June 27, 2024 10:56:08 AM

CAUTION: This email originated from outside of the organization.

Mia and Lori,

We have been responsible for the design of quite a few licensed clinics. I notice that the proposed Table 4A in the 2025 CMC does not include the requirements for Primary Care Clinic Waiting Area that has been in prior editions of Table 4A. Was this intentional, or an accidental omission?
