Hello directors, chief deputy directors, and others:

All tenants and staff of the Mission Valley Building at 7575 Metropolitan Avenue are invited to attend a virtual town hall meeting, where DGS and the California Department of Public Health will share information about Legionella bacteria and Legionnaires' disease; walk you through what DGS' Facilities Management Division did and is doing; and provide the opportunity to ask additional questions that have not previously been answered.

Please forward this message to your employees who work in the Mission Valley Building so they may attend the virtual town hall. We look forward to seeing you and want to extend our appreciation for your ongoing cooperation.
