

OPSC Online

Release 27 Notes
02/06/2025

Performance Enhancements

OPSC has improved the performance of the various aspects within OPSC Online.

Application Wizard Flows and Help Text Updates

OPSC has updated questions and help text throughout OPSC Online for providing clarity on the information to be entered.

Document Uploads

OPSC has updated and expanded the list of default document types in OPSC Online to assist with searching for documents and consistency in naming conventions.
